Judge Robert Gerber
Southern District of New York
One Bowling Green
New York, New York
Attention: Diana G. Adams, Esq.

Dear Sir and Madam:

In "Specific" English and without the aid of "50"
Lawyers, please tell all of the General Motors Retirees"
if their Pensions are secure.

We received the Banckruptcy Notices in the mail today
and trying to understand each and every "Please take further
Notice" was a nightmare.

We are the 30 year retired Laborors; not the White
Collar workers.

So we can all understand what we have to look forward
to, please tell the Lawyers' to sit down, be silent and
listen while the Gigantic Puzzle begins to unravel.

Millions of people will be anxious to see this Puzzle
resolved.

Sincerely,

JUNE BABIUK
